

Is Your Roof Shower-Proof? Did You Know? DUNN can repair, restore or replace your roof!

"When we decided on a roof replacement, Dunn was one of four contractors quoting. Only Dunn initially recommended roof restoration rather than replacement, despite some major roof issues. Dunn was awarded the contract and did an excellent job."

- Ralph Thomas, TPR Federal Mogul Tennessee, Inc.

Call DUNN First!

Dunn's experienced, factory-certified roof experts can handle it all-from repairs and retrofits to new roof installations. We even offer ER Systems' advanced, energy-saving roof coating with long-term durability rivaling a new metal roof-at a savings of 50% to 75%. And an available 10-year warranty!

"Rather than replace the roof, Dunn can restore the roof with a ten year warranty."

- Marcus Capps, Gate City Steel
