DUNN BUILDING CO. RAISES OVER \$10,000 IN ANNUAL GOOD FRIDAY GOLF TOURNAMENT BENEFITTING FIREHOUSE SHELTER

Dunn hosted its annual Good Friday Golf tournament on April 19th at Highlands Golf Course and raised \$10,100 for The Firehouse Shelter. We appreciate all participants who made it possible. Since we started our tournament, we've raised nearly \$90,000 total - and it's a genuine honor to support them.

DID YOU KNOW.....

Did you know that Design-Build is the fastest growing and most popular method used to deliver construction projects in America? Design-Build was once considered an "alternative" way to deliver construction projects, but not anymore. These days nearly half of all the nation's projects are delivered using the design-build delivery method and that number is expected to continue to grow. Design-Build continually out-performs other delivery systems in both schedule and cost. Dunn Building Company is proud to have four Designated Design-Build Professionals on staff to help you. If you want to learn more about Design-Build and how Dunn can save you time and money on your next project, give us a call today.
