

### **PROCESSOR'S CHOICE WAREHOUSE EXPANSION**

MOODY, AL

This project is a 84,000 SF warehouse addition at Processor's Choice in Moody, Alabama. Construction consists of tilt-up construction, pre-engineered columns, rafters and joist with metal deck and TPO roof, building lighting, HVAC, fire sprinkler system and five new overhead doors and loading docks.

As a top food distributor in the South for more than 35 years, Processor's Choice has built long-standing relationships with hundreds of reputable suppliers, and handles ingredients from all the leading manufacturers.

Project Manager: Robert Holman

## **DID YOU KNOW?**

Dunn Building Company is the first contractor in the state of Alabama to earn International Accreditation Service Metal Building Assemblers Inspection AC478 accreditation!

This program is focused on including safety and training to provide a quality finished product to the customer! A part of this program is to ensure that personnel performing tasks in the field are qualified to perform the task at hand through proper training.

Dunn's Quality Director, Seth Collins, was featured in the IAS December newsletter for the implementation of QR Codes for employee training and certification records. This literally puts this information in the hands of our employees when needed onsite in a SNAP! Keep up the good work, Seth.

### **DUNN AWARDED HANGAR PROJECT IN THE SHOALS**

Dunn Building Company was recently awarded the Northwest Alabama Shoals Airport Hangar Development in Muscle Shoals, AL. Dunn is scheduled to break ground this summer on the new 24,500 SF hangar building. This will be the first speculative hangar for the Shoals Economic Development Authority!

# CENTRAL AREA

## BIRMINGHAM, ALABAMA

Dunn Building's Luke Newell presented Firehouse Shelter Director, Anne Rygiel, with a check for \$12,000 from the proceeds of this year's annual golf tournament held on April 28th at Highland Golf Course in Birmingham. This brings the total to well over \$120,000 that this tournament has raised over the last 13 years for the Firehouse.

### WE ARE MOVING!

As renovations come to a close, we will slowly be transitioning into our new location!

The new address will be:  
352 State Street  
Mobile, AL 36603

Tracy Taylor has worked for Dunn for almost a decade as a safety consultant, and now comes aboard as a full time Area Safety Manager to handle our growing workload. Tracy brings over 12 years of safety experience to Dunn's team!

## ATHENS ALABAMA

## TENNESSEE VALLEY AREA

Dunn is pleased to announce the promotion and relocation of Craig Fowler to Area Manager for our Tennessee Valley Area. Craig is a native of Walker County, and attended Auburn University where he attained a degree in Building Science. He began his career in 1999 with BL Harbert Construction. Craig came to us a Quality Manager on the APCO Plant Gorgas Baghouse Foundations project in 2013 and has served us well with multiple roles from quality, superintendent, estimating, and project management. Craig has a strong grasp of our new cost estimating system and of all our project management systems, policies and procedures, all of which will serve us well in the Tennessee Valley Area.

## DUNN FABRICATORS

A DIVISION OF DUNN BUILDING COMPANY

## COLUMBIANA, ALABAMA

Meet Louie Glenn! He is our Quality Systems Manager in our Fabrication Shop located in Columbiana, AL.

Louie joined the Dunn in April and brings over 17 years of fabricating, welding, and quality management experience! He came to us from Valmont Coatings Birmingham Galvanizing. Louie will ensure Dunn Fabricators continues to provide top-quality steel fabrication, including paint coatings for our customers.

DO IT RIGHT. CONSIDER IT DUNN.

# AWARDS

## ABC 2022 TOP PERFORMER

Dunn Building Company was recently named an ABC 2022 Top Performer. The common priorities for ABC Top Performers include culture, safety, innovation, workforce development and driving market value.

## 2022 AGC CONSTRUCTION SAFETY EXCELLENCE AWARD

Dunn Building Company was honored to be presented with the **Construction Safety Excellence Award** on April 26th at the AGC Alabama—Mobile Section Awards Luncheon at the Country Club of Mobile.

## ABC 2022 SAFEST IN THE INDUSTRY

Dunn Building Company was recently named one of ABC's 2022 Safest in the Industry. The common factors for ABC Safest in the Industry companies are those that have outstanding corporate safety and health plans and exhibit superior safety initiatives.

# COMMUNITY

Recently, four of our team members built a ramp for a Vietnam Veteran and his wife! This will allow her stress-free access into their home!

Thank you William Callahan, Derek Mason, Gary Ball, and Manual Pleitez for always jumping in and helping when someone needs it!

When a teacher from Columbiana Middle School needed assistance replacing the flag in front of their school and asked if they could use one of our lifts, Marshall Scott jumped in and helped them make sure it was replaced properly!

The team from our equipment shop, located in Columbiana, are always willing to lend a hand!

# EMPLOYEE SPOTLIGHT

## REINAULDO FIGUEROA AKA "SHORTY"

MEET SHORTY!

I have been part of Dunn's team for five years! My favorite thing about working for Dunn is everyone helps each other! We are a team! When I am not working, I dedicate all of my time to my family!

- Shorty
